DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission of an Information Disclosure Statement filed on September 26, 2006 has been entered.

Information Disclosure Statement

2. The information disclosure statement (IDS) submitted on September 26, 2006 was filed after the mailing date of the notice of allowance on July 11, 2006. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Allowable Subject Matter

3. Claims 1-13 contain allowable subject matter for the reasons set forth in section 3 of the Office Action mailed March 23, 2006.

4. Additionally, said claims are allowable over EP 174 755 issued to Dury. Dury discloses a fibrous random pile mat comprising a random pile layer and a resin impregnated backing layer

as is presently claimed by applicant. Dury also teaches the use of other layers over said random pile layer including a surface layer of synthetic turf or carpeting. However, the Dury reference fails to explicitly teach or fairly suggest the use of a resin bonded layer of particulate rubber.

One skilled in the art would not be properly motivated to adhere a resin bonded layer of particulate rubber to the undersurface of surface layer and overlying the fibrous random pile mat. Hence, claims 1-13 are also allowable over the cited Dury reference.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Cheryl Juska whose telephone number is 571-272-1477.
